专业制造始于2008  
Professional manufacturer

Since 2008

Established in 2008, Dongguan Huan Ya Industrial Co., Ltd. is a professional manufacturer and exporter that is concerned with the design, development and production of natural rubber foam products, such as Yoga mats, Anti fatigue mats, Mouse pads, Game mats, Bar runners, Floor mats, Door mats, Poker mats and so on.

To expand the scale of production, we built a new factory site in Hunan Province, named "Xiangtan Huan Ya Industrial Co., Ltd." Covering a production area of more than 20,000 square meters, and qualified with BSCI and ISO9001.

From raw material to finished products, we have a full set of facilities for each step, including natural rubber refining, foaming, die cutting and printing. Customized size, shape, logo and design is acceptable to us! The production process is under strict quality control and supervision of a dedicated team, and all materials comply with REACH & ROHS & CA pro65 standards.

Our production philosophy is: "Human Health Oriented". We strive to provide customers with the good quality products, reasonable price and fast delivery. Our products have been exported to all over the world and well-received by customers. Usually, free samples can be provided for checking quality on request.

If you are interested in any of our products or would like to discuss a custom order, please feel free to contact with us! We are looking forward to building successful business relationship with customers around the world.

# Anti-fatigue Mat

- The anti-fatigue mat is also known as “standing mat”, which is moulded with polyurethane (PU) material.
- The high elastic mat can promote blood circulation, relieve foot pressure, thereby reducing the physical fatigue and improving health index.
- The anti-fatigue mat is normally used in kitchen, hospital, workshop, office, etc.
- Excellent resistance to pressure, tear and abrasion.
- Logos and images can be printed as requested, which is a good way to promote company image.
